1. DEFINITIONS AND INTERPRETATION:

1.1 In the CONTRACT:

- 1.1.1. Any reference to any provision of any APPLICABLE LAWS shall be construed, at the particular time, as including a reference to any modification, extension or re-enactment thereof then in force and to all instruments, orders or regulations then in force, and references to the laws of India include the laws of any State forming part of the Republic of India. The singular shall include plural and vice versa, and words denoting natural persons shall also apply to partnerships, firms, companies, corporations, joint ventures, trusts, associations, organisations and other entities.
- 1.1.2. All references to Sections, sub-sections, clauses, paragraphs and annexures are to Sections, sub-sections, clauses, paragraphs and annexures in or to this GCP unless otherwise specified. The term "day" shall mean a calendar day, unless otherwise specified. If any monetary obligation falls due on a Saturday, Sunday or a public holiday, such obligation shall be deemed due on the next BUSINESS DAY thereafter.

For the purposes of the CONTRACT, the words and abbreviations that have well-known technical or trade meanings used but not defined in this GCP or elsewhere in the CONTRACT, shall be construed in accordance with such recognized technical or trade meanings.
- 1.1.4. The words "include" and "including" are to be construed without limitation. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The term "or" is not exclusive. The word "extent" in the phrase "to the extent" shall mean the degree to which a subject or other thing extends, and such phrase shall not mean simply "if." The words "herein," "hereof" and "hereunder" and words of similar import when used shall refer to this GCP as a whole and not to any particular Section or subsection of this GCP.
- 1.1.5. The provisions of all parts of this CONTRACT shall be construed as a whole. All the headings in the Sections of this GCP and in the CONTRACT DOCUMENTS attached to it are intended solely for the purpose of giving broad indication of the contents of the provisions to which they refer and shall in no way be construed as a limitation of the scope of the particular Section to which the heading refers. Neither the CONTRACT nor any provision thereof will be construed in favour of or against either PARTY due to that PARTY'S drafting of the CONTRACT or any provision thereof. No course of dealing or course of performance under any other contract between the PARTIES shall be considered in the interpretation or enforcement of this CONTRACT.

- 1.1.6. In the event of any conflicting provisions within the CONTRACT DOCUMENTS, the order of precedence of the documents shall be as provided below:
- a) PURCHASE ORDER and amendments thereto;
 - b) SPECIAL CONDITIONS;

In such an event, the GOODS WARRANTY for such GOODS or part shall be such a longer period.
- 7.3 The BUYER'S rights, claims and remedies in case of breach of any GOODS WARRANTY shall not be deemed to be waived by reason of ACCEPTANCE OF GOODS. All GOODS WARRANTIES shall survive ACCEPTANCE OF GOODS. The GOODS WARRANTIES

38 (INFRINGEMENT) shall not void or adversely affect the GOODS WARRANTIES.

- 7.6 If the BUYER elects to reject the DEFECTIVE GOODS, then the SELLER shall promptly, but no later than fifteen (15) days from the date of notice by the BUYER in this regard, remove the DEFECTIVE GOODS. If the SELLER fails to remove the DEFECTIVE GOODS, then the BUYER shall be entitled to recover from the SELLER all the costs of storage or demurrage charges of the DEFECTIVE GOODS. If the SELLER does not remove the DEFECTIVE GOODS within an aggregate period of thirty (30) days after the date of notice by the BUYER in this regard, the BUYER shall be entitled to dispose of the DEFECTIVE GOODS at its sole discretion. The SELLER shall indemnify and hold harmless the BUYER against all LOSSES arising out of such storage or disposition of the DEFECTIVE GOODS. The BUYER shall permit the SELLER to remove the DEFECTIVE GOODS only after payment to the BUYER of amounts described in this Section 8.6
- 7.7 All GOODS WARRANTIES with respect to the components of the GOODS which are so corrected, remedied, replaced or rectified shall apply for the longer of (i) a period of twelve (12) months from the date of such correction, remedy, rectification or replacement; or (ii) the remainder of the original GOOD WARRANTY PERIOD. Such a longer period shall be the new GOODS WARRANTY PERIOD for such GOODS.
- 7.8 The SELLER shall remain liable to the BUYER for any LATENT DEFECTS for a further period of twelve (12) months from the expiry of the GOODS WARRANTY PERIOD ("LATENT DEFECTS WARRANTY PERIOD") and all the GOODS WARRANTIES shall apply during such further period.
- 7.9 If in the reasonable opinion of the BUYER, a visit by the SELLER'S personnel to the SITE where the GOODS are installed is required for the repair, replacement or correction of any DEFECTS, then the same shall be provided by the SELLER at no additional cost to the BUYER.
- 7.10 The SELLER'S liability hereunder shall extend to all damages incurred by the BUYER as a result of the breach of any of the GOODS WARRANTIES, including removal, inspection, re-installation and costs of return or warehousing.
- 7.11 The SELLER shall be liable to the BUYER for any DEFECTS that existed in the GOODS during the GOODS WARRANTY PERIOD, provided that the BUYER communicates the DEFECTS to the SELLER within six (6) months after the expiration of the GOODS WARRANTY PERIOD or LATENT DEFECTS WARRANTY PERIOD, whichever occurs later.
- 7.12 The SELLER shall provide support services at no extra charge, cost or expense to the BUYER for the GOODS during the GOODS WARRANTY PERIOD for such GOODS.
- 8. SQS/INSPECTION:**
- 8.1 SELLER shall be responsible for the performance of all activities affecting quality and schedule including those of its suppliers. BUYER reserves the right to review SELLER's Quality Assurance and Quality Control Procedures. SELLER's Quality Plan submittal requirements, if applicable, are defined in the "Supplier Drawing and Data Commitment Form" section of this Purchase Order.
- 8.2 The SELLER shall carry out all examinations and tests and provide certifications pursuant to such examinations and tests, all in accordance with the CONTRACT. The SELLER

shall also provide and maintain an inspection system acceptable to the BUYER, but in any event sufficient to detect DEFECTS in the GOODS, and shall supply only such GOODS that have been inspected in accordance with such inspection system. Records evidencing such procedures and inspections shall be made available by the SELLER for the BUYER'S and the BUYER'S representatives review during performance of the CONTRACT and for a minimum of two (2) years following the SELLER'S delivery of the related GOODS to the BUYER. - 8.3 The BUYER reserves the right to attend and witness all examinations, tests and inspections of the GOODS and, at its discretion, conduct its own examinations, tests and inspections of the GOODS, in each case, either by itself or by a BUYER'S representative, at all times during the performance of the CONTRACT, including during the manufacturing and shipping of the GOODS or after receipt of the GOODS. The SELLER shall give the BUYER and the BUYER'S representatives at least five (5) BUSINESS DAYS' prior notice in writing of any examinations, tests and inspections that the SELLER or any SUB-SELLER intends to conduct, including the address at which such examinations, tests and inspections are to take place. - 8.6 Neither the attendance of the BUYER or the BUYER'S representatives during the examination of the GOODS by the SELLER nor the inspection of the GOODS by the SELLER shall be construed as ACCEPTANCE of GOODS. The BUYER'S or the BUYER'S representatives' examination, testing and inspection of the GOODS or ACCEPTANCE OF GOODS, acceptance of delivery of the GOODS or the making of any payment to the SELLER shall not relieve the SELLER of any GOODS WARRANTY, obligations, liabilities or demonstration of performance guarantees under the CONTRACT. The making or failure to make an inspection, examination or test of, or payment for, shall in no way relieve the SELLER from its obligation to conform to all of the requirements of the CONTRACT and shall in no way impair the BUYER'S right to reject DEFECTIVE GOODS or revoke ACCEPTANCE OF GOODS, or to avail itself of any other remedies to which the BUYER may be entitled.
- 8.7 The BUYER may at its option appoint third party inspection agencies or other PERSONS to examine, test and inspect the GOODS on its behalf and the SELLER shall treat these appointees as if they were the BUYER'S own examination, testing and inspection personnelln the event that any inspection or test indicates that the GOODS fail to meet the requirements of the CONTRACT, the SELLER shall, at its own cost and expense,

Immediately after such rectification, the SELLER shall notify the BUYER of availability for re-inspection or retest. The procedure in the aforementioned sentences shall be repeated as necessary until the BUYER or the BUYER'S representative is satisfied that the GOODS are in complete conformity with the requirements of the CONTRACT. If corrective actions undertaken by the SELLER are insufficient or the SELLER does not improve its performance to fully comply with the requirements of the CONTRACT within a reasonable period, the BUYER or the BUYER'S representative may require the SELLER to make changes or modifications to its manufacturing or operations or such changes as the BUYER or the BUYER'S representative may reasonably direct. For the avoidance of doubt, no actions undertaken by the SELLER in accordance with this Section 9 shall entitle the SELLER to any additional compensation or to an adjustment to the price(s) set out in the CONTRACT or release the SELLER from any of its obligations under the CONTRACT.

9. INDEMNITY:

- 9.1 SELLER agrees to defend, indemnify and hold harmless BUYER and its affiliated companies, directors, officers, employees, agents and representatives, from and against all claims, demands, causes of action, liability, loss or expense arising from or relating to any actual or asserted:

 - 9.1.4 Injury to or death of persons (including employees of BUYER, SELLER and SELLER's suppliers) or from damage to or loss of property (including the property of BUYER or OWNER) arising directly or indirectly out of this Purchase Order or out of any acts or omissions of SELLER or its suppliers. SELLER's defence and indemnity obligations hereunder include claims and damages arising from non-delegable duties of BUYER or arising from use by SELLER of construction equipment, tools, scaffolding or facilities furnished to SELLER by BUYER.

- 9.4 With respect to claims by employees of SELLER or its suppliers, the indemnity obligations under this Purchase Order shall not be limited by the fact of, amount, or type of benefits or compensation payable by or for SELLER, its suppliers or sub-suppliers under any workers' compensation, disability benefits, or other employee benefits acts or regulations, and SELLER waives any limitations of liability arising from workers' compensation or such other acts or regulations.
- 10. LIQUIDATED DAMAGES/ DELAY IN DELIVERY:**
- 10.1 The performance by the SELLER of its obligations under the CONTRACT at the specified dates is the essential condition of this CONTRACT. - 10.2 The SELLER shall promptly notify BUYER of any actual or anticipated delay in delivery and take all reasonable steps to avoid or end delays and recover the program without additional cost to BUYER apart from the conditions specified in Section-44 (FORCE MAJEURE). Should SELLER fail to implement such measures as BUYER considers necessary, BUYER may instruct SELLER in writing to take such measures to achieve the DELIVERY SCHEDULE (and the SELLER shall not be entitled to claim additional cost for taking such measures).
- 10.3 The exercise by BUYER of its powers under this Section 11 shall not relieve the SELLER of any of its obligations of this Purchase Order or reduce SELLER's liability to BUYER for breach of contract and, in particular SELLER's liability to BUYER to pay Liquidated Damages, if any, for late delivery.
- 10.4 Liquidated damages for delayed delivery of the GOODS: In the event the SELLER fails to deliver the GOODS in compliance with the DELIVERY SCHEDULE for such GOODS, the SELLER shall pay to the BUYER liquidated damages equal to one percent (1 %) of the ORDER VALUE per week of delay or part thereof until the GOODS are delivered, subject to a maximum of ten percent (10 %) of the ORDER VALUE.

- 10.7 The SELLER waives any and all objections, including by way of defence that (i) the DELIVERY SCHEDULE is not of the essence of the CONTRACT by reason of the PARTIES agreeing to the payment of any liquidated damages for delay; (ii) the BUYER forbearing exercise of its right to terminate the CONTRACT up to a period of ten (10) weeks; or (iii) the BUYER granting the SELLER additional time for performance of the SELLER'S obligations including extending the DELIVERY SCHEDULE.
- 10.8 The PARTIES agree that damages for breach for which liquidated damages are agreed herein are difficult to calculate accurately and are not reasonably determinable at the time of entry of the CONTRACT. Therefore, PARTIES agree that liquidated damages agreed in this Section 11 by the PARTIES shall not be considered as a penalty under any APPLICABLE LAWS and are a genuine pre-estimate of the loss to the BUYER as a result of the SELLER'S failure to supply the GOODS or the DRAWINGS AND DOCUMENTS in accordance with the DELIVERY SCHEDULE or non-fulfilment of PERFORMANCE GUARANTEES.
- 10.9 BUYER may on its discretion and good faith, extend a delivery period of two weeks, upon SELLER's request, on the implementation of a plan leading to the recovery of the
